SERHII REVVA

| TRAINEE FULL-STACK DEVELOPER

SUMMARY

I'm an enthusiastic and detail-oriented Frontend developer seeking an entry-level position with Company to use my skills in coding, troubleshooting complex problems. I have good knowledge of HTML, CSS, JavaScript, React.js and Node.js. Also have experience in applying the Agile / Scrum methodology when working in a team. I love new challenges that make me want to learn more technology and improve my skills every day. My goal is to excel in challenging and innovative work and strive to reach my full potential. I am a fast learner, responsible, and ready for challenging tasks.
